A child once admitted to Nursery class can pass out 10th Standard with full - fledged knowledge of society, National and international scientific and social developments.

Sri Bhairaveshwara Vidya Samsthe ® began its life on May 10th 1998 with a modest roll 105 students in a rented building. The school is proud of its past but is also very forward thinking and innovative in its approach towards learning. The school has a current role of around 1359 and 59 teaching staff with two academic blocks and one administrative block.

I wish to commence with the academic performance of the students. I feel delighted to announce that the school is constantly giving **100 %** of result in the secondary **board exam**. I congratulate the parents of **Chokkareddy.M.S** for scoring **613** marks out of **625** marks and also I am lauding all the students who got distinction marks in the board examination.

All the National festivals are celebrated in our school to make the students to know about the importance of the festival.

In this academic year **2019-20** the management commenced Karate classes for self defense from the karate teacher **Lokesh.V** for all students. And also to have unformative in handwriting we introduced cursive hand writing by trained Professionals.

To enhance the knowledge of the students of primary class visited Indian Garden and Utsav rock garden at Shiggavon, Haveri (Dist)

I would like to take this opportunity to thank **Mr. Subbareddy** the president of **Sri Bhairaveshwara Vidya Samsthe ®** for giving us an atmosphere of guidance to amalgamate hard work of the students support of the parents and abilities of the teachers to accomplish our wish.

I would like to express the deepest sense of gratitude to all the parents for their continuous support, trust and faith in all the endeavors we take up at the **S.B.V.S.**

I would like to convey my deep sense of appreciation to all the teaching staff who are working tirelessly for the improvement of all-round development of the students to face the challenges of the society. At the end it is better to recall that, the present child is future citizen. So a greater responsibility is there on the shoulders of teachers. Our teachers are ready to shoulder their responsibilities with an ease.

Finally I am conveying my soulful thanks to the management of **Sri Bhairaveshwara Vidya Samsthe ®** for giving me this opportunity to present the school report on annual school day

Thanking You
Thanking You one and all
